

Printing instructions

David Dyer's pamphlets

There are 2 styles of pamphlets. Style 1 uses a single double sided A4 folded twice, style 2 uses two sheets of double sided A4 folded once.

Style 1 includes the following:

- Are you Deceived ?
- From Eternity to Eternity.
- The Baptism of Fire.
- The Substance of Faith.
- Three Essential Principles.

Print Page 2 on the reverse of Page 1 of the Adobe pages. Fold twice to produce the title on the front and the final page (6) at the rear.

Style 2 includes the following:

- Wholly Holy.
- The Way of Cain.
- The Way of the Cross.
- The Clerical Error.
- Nevertheless.
- Remember the Sabbath Day.
- Two Witnesses.
- Thou Shalt Love.

Print Page 2 on the reverse of Page 1 of the Adobe pages and Page 4 on the reverse of Page 3 of the Adobe Pages. Collate the pages and fold down the centre to produce a 8 page pamphlet with the title on the front.

Take care particularly not to print any of the pages upside down. When replacing the pages into your printer to print the reverse sides always turn the pages over from top to bottom - not from side to side (which will put the print upside down).
